FOR FT ISLAND ASIA TOUR 2010
FIRST RELEASED IN SINGAPORE**

This is the first time FT ISLAND has licensed their images to be made into Figurines for their fans.

These 9cm tall keepsakes will go on sale for the first time in Singapore on 29th January 2010 at FT ISLAND's Fan Sign Session at IMM at 7pm.

Tickets to the Fan Sign session were sold out on launch day within half an hour. 300 lucky ticket holders will each get an FT ISLAND Cross and Change Album for a signature from their favourite boy band.

However, fans without the Fan Sign Tickets can still be at IMM Garden Plaza to see the boys. They can also purchase FT ISLAND CDs and these Limited Edition FT ISLAND Figurine Sets for SGD\$39.90 at our merchandise booth set up at the IMM Garden Plaza.

There are only 4,000 sets available worldwide!

These FT ISLAND Figurine Sets were specially commissioned to be commemorative of the FT ISLAND 2010 Asia Tour beginning with Singapore on 30th January at Dragonfly @ St James Powerstation.

After Singapore, FT ISLAND will be touring asia for the first quarter of 2010. Next will be Thailand on 6th February, 17th February in Hong Kong (also by Datzentertainment), Taiwan on 27th February and 6th March in Manila.

Again, Singapore is the only territory with a Fan Sign. Shows in all the other countries are Showcases with a Fan Meet Session for selected few.

Tickets to the FT ISLAND Singapore 2010 Fan Meet at Dragonfly @ St. James Powerstation on Saturday, 30th January 2010 are still available at IMM Customer Service Counter on the 2nd Level.

There are only about 100 of these \$100 tickets left so hurry and get your tickets now if you haven't already got yours.

At the FT ISLAND Fan Meet, you get to see FT ISLAND perform. There will be an audience interaction where fans will be picked to play games with the boys, there will also be a chance to win a Nokia phone where the lucky winner will get a phone snapshot with FT ISLAND as a keepsake.
